OUR GUARANTEES TO YOU

GUARANTEED DEPARTURES & CANCELLATION OF A TOUR BY US

Certain Tours we offer are "Guaranteed Departures." A departure date for a Tour offered by us will become a "Guaranteed Departure" when at least one booking secured by a valid deposit has been made on that departure. Please note that not all of our departures will be Guaranteed Departures. Our brochures and website display Guaranteed Departure dates with a . A departure will not be considered a "Guaranteed Departure" unless specifically noted as such in our brochures or on our website. Other dates may be visible to book which are non-guaranteed; these dates may become Guaranteed Departures as the season continues.

We guarantee that all scheduled Tour departures booked and secured with a valid deposit will depart as indicated on the applicable confirmation, subject to reasonable itinerary changes as described in these Terms or good faith, health and safety concerns. This guarantee is not applicable in the case of Force Majeure. Up-to-date Tour and itinerary information is available on our website or by contacting us. Brochures and other printed materials displaying Tour information and departure dates are subject to change and may not be relied upon for purposes of this guarantee.

If a Tour is cancelled by us before the date of departure for reasons other than Force Majeure and the cancellation is not caused by your fault or negligence, you will have the choice of accepting from us:

- a substitute Tour of equivalent or superior value; or
- a substitute Tour of lesser value if no Tour of equivalent or superior value is reasonably available and to recover from us the difference in price between the price of the Tour originally purchased and the substitute Tour; or
- a full refund of all monies paid for the cancelled Tour.

We are not responsible for any incidental expenses or consequential losses that you incur as a result of the cancelled booking including visas, vaccinations, non-refundable flights or rail, non-refundable car parking or other fees, loss of earnings, or loss of enjoyment. We reserve the right to issue a full refund in lieu of the choices above, in our sole discretion. Where a significant element of a Tour as described cannot be provided after departure, we will make suitable alternative arrangements where possible. If it is not possible to provide a suitable alternative or if you reasonably reject any suitable alternatives, we may provide you with a refund for unused products or services as determined in our discretion.

PRICE PROMISE

Lowest places are available on each date at the lowest price. However, if you see your Tour departure date advertised for less than you paid we will refund the difference. Occasionally we promote selected special offer holidays within 12 weeks of departure which are excluded from the price promise guarantee.

We guarantee that absolutely no surcharge will be added to the basic price of your holiday once your booking has been confirmed irrespective of any subsequent fluctuation in currency exchange rates or, increases in international air fares or increases in other costs associated with the holiday. In return for this guarantee and its risk to us we shall not be able to make any refunds in the event of favourable exchange rate variations or other decreases in costs which may result in a reduction in the selling price. This price guarantee does not apply to any optional services including, but not limited to, insurance premiums, visa charges, excursion charges and amendment fees. For bookings made within the balance due date and prior to confirming your holiday we reserve the right to notify you of any increases to your holiday price as a result of any additional costs we may be charged.

Prices shown in our brochures and on the website are believed correct at the time of publication. We reserve the right to change prices from time to time. Accordingly, it is possible that when you book your holiday the actual price may have gone up or down. If the price of your holiday has changed the correct price will be confirmed at the time of booking. We reserve the right to correct errors at any time.

Whilst every effort is made to ensure the accuracy of the brochure/website and prices at the time of printing regrettably errors do occur. You must therefore ensure you check the details of your chosen holiday with us at the time of booking.

Verbal and website price quotations will be regarded as provisional until confirmed in writing on your Confirmation invoice. In the unlikely event of an administrative error resulting in incorrect prices being displayed on the website, we reserve the right to correct the price. In such cases we will offer you the opportunity to either pay the correct price or we will make a full refund of any money you may have paid.

PRICE MATCH

If you find an identical package holiday offered by one of our competitors (excluding any online special offers or arrangements made by yourself rather than through a tour operator) at a lower price within 7 days of booking with us our 'price match' will apply. Price match is also available on Make Your Own Way (MYOW) bookings by comparison to an equivalent tour-only competitor product. By identical, we mean another holiday which:

- Departs on the same day from the same port/airport using the same flight with the same carrier (if Flight-Inclusive).
- Visits the same destination(s).
- Has the same duration (i.e. number of nights).
- Offers the same number of included excursions.
- Features accommodation of the same category and board basis and, where applicable, the services of a Tour Manager/Local guide.

If this happens we will refund the difference between the cost of the Flight-Inclusive package/MYOW holiday that you have booked with us and the price of the identical holiday offered by our competitor. Plus we will give you an extra £100 per person towards a future booking. Refunds will be in the form of a credit towards future travel. Applicable to new bookings only.

LOYALTY BENEFITS

If you qualify for a loyalty discount, the amount will depend on spend and tour type. The new booking must be made within 6 months of your return date and must depart within 12 months of the return date of your original holiday.

YOUR TOUR MANAGER

On the majority of our Flight-Inclusive package holidays you will be escorted by a knowledgeable Tour Manager. Please be aware of the following:

- On some of our Flight-Inclusive package holidays your Tour Manager will meet you at your UK airport, on others they will meet you at your overseas airport or in your resort.
- If you choose to fly to your destination from a regional airport your Tour Manager may not be travelling with you.
- Your Tour Manager may not accompany you on your homeward transfer to the airport but they will advise you of the arrangements made on a Flight-Inclusive holiday.

COACHES/COACH SEAT ALLOCATION

On our package holidays that include coach travel, we operate a rotational seating policy. All customers are expected to abide by this policy and adhere to the instructions given by the Tour Manager to ensure that all customers are given the opportunity to move seats. We do believe seat rotation will enhance your travelling experience and create a positive group atmosphere.

Regular comfort stops will be taken to ensure a relaxing journey is experienced each day. Some coaches may be equipped with washroom facilities however, it cannot be guaranteed that they will be useable at all times.

RUNNING ORDER OF ITINERARIES

Occasionally we may have to make changes to the running order and inclusions of your holiday itinerary. This could be due to a number of reasons such as public holidays, festivals, weather, traffic conditions or operational reasons and may sometimes be at short notice.

Due to changes in river water levels, river cruise itineraries may occasionally be modified. On the rare occasions that this happens we will act in the best interests of our customers to ensure the enjoyment of your holiday is not impaired.

HOTEL ACCOMMODATION

The prices in our brochure/website are based on sole occupancy of a room with private facilities unless otherwise stated. Our reference to 'Hotel' covers all accommodation and does not necessarily distinguish between local classifications such as 'Hotel' or 'Inn'. It may occasionally be necessary to accommodate you in a different but equal category of hotel to that featured in the brochure/ website. If this is known before departure, we will of course advise you. The confirmed hotel(s) will be advised in your final travel information.

Porterage: One bag per person is included on most of our package holidays as stated in the holiday details.

Voltage/Electrical Items: The type of plug sockets you can use in your destination can be checked by visiting: www.worldstandards.eu/electricity/plug-voltage-by-country/

Swimming Pools: If your hotel/s has a swimming pool, you may wish to take your own pool towel, as some hotels do not provide these. Please familiarise yourself with the depth of the pool and use the steps provided to access and exit the pool. Diving is not recommended.

Additional Charges: Payment for any extras such as

drinks, laundry, telephone calls and meals other than those included in your package holiday price are to be made directly to your hotel prior to check out.

Air Conditioning: In some hotels, air conditioning is operated according to individual hotel policy and/or, in some cases, local laws.

EXCURSIONS

We want to give you the opportunity to see as much as possible of the countries you are visiting so there will nearly always be a selection of optional excursions. Where a pre-bookable package is available as indicated in the holiday details, this is offered at a discounted price. Alternatively you can book & pay your Tour Manager or Local Guide in resort, where applicable. Any optional excursions will of course operate subject to demand, traffic and weather conditions. Changes to the advertised excursions programmes are rare but the excursion providers reserve the right to change excursions and we reserve the right to amend the advertised prices at any time.

We advise against the purchase of excursions from hotels or street vendors as these may not have been safety checked and may not meet required local standards or have adequate insurance cover in place. A list of approved excursions will be sent to you, in some cases these may include hotel excursions which have been checked. If you choose to partake in an excursion/activity which is not arranged by us, we advise you check that your travel insurance covers you for that specific activity.

COMBINING TOURS

Some of our holidays are designed so that customers can tailor their holiday experience by combining different Tour departures and itineraries. Please be aware that other customers may join or leave your Tour at different times depending on the combination of Tours that they have selected, so the size of the Tour group may vary throughout the Tour.

ABOUT OUR FLIGHTS FOR JUST YOU FLIGHT INCLUSIVE TOURS

The prices for the Flight-Inclusive Tours set out in our brochures/website are based on planned group flights from London. The actual selling price may vary from that published due to numerous factors including but not limited to; additional taxes or fuel surcharges being introduced, the airline only allowing us to hold a limited number of seats at a pre agreed group rate or because alternative flights are being used.

Limited availability seats: Holiday prices are based on limited availability special air fares. Whilst these fares are correct at the time of going to press they may have sold out by the time you make a booking. In this case further seats will usually be available at a supplement. Such supplements if any will be confirmed at the time of booking.

By booking early you maximise your chances of getting on our group flights which ensures you are getting the benefit of our group costs and also reduces the chance of you ever having to pay any flight related supplements or additional costs.

Baggage Handling and Allowance: The baggage allowance for most of our holidays is 44lb (20kg) per person, plus hand luggage, although this varies with each airline. Airlines do change their requirements therefore, we suggest that you check the airlines website for details on any restrictions or dimensions of hand and hold baggage. You are responsible for the carriage and care of your luggage throughout your holiday except for such times as it may be in the hands of the airline, here in such circumstances the airline specific terms and conditions relating to the carriage of luggage apply or when portorage at a hotel on arrival and departure is included. Please ensure that your luggage is loaded on to all transport and be careful to take the correct luggage with you when you leave any mode of transport.

Airport Taxes: Any airport taxes and security charges which are payable in advance and therefore form part of the scheduled air ticket have been calculated and included in the price of your holiday. These include the UK Government Airline Passenger Duty and various overseas airport and airline charges where applicable.

At some airports there are also passenger charges which are payable locally. Where possible these will be paid by us on your behalf and included on your confirmation invoice. Some taxes have to be paid locally and we will advise you as soon as we are aware of such charges.

Fuel Surcharges/Environmental Taxes: Airlines generally pass on any fuel price increases to customers directly or tour operators when they occur. Occasionally we have no choice but to pass on all or part of these directly to our customers. You will be informed of any fuel related surcharges or new and additional taxes, airport or security charges in place or other sums payable in addition to the advertised price at the time of booking.

Flight Routings: On some routes we may require you a number of indirect flights which may require you to change planes en-route. This may be because we cannot obtain a block allocation of seats on a direct flight or it may be the only option. If you are interested in booking a direct flight with a supplement (where available) please ask one of

our Holiday Advisors.

Flight Schedule Changes: When you book one of our Flight-Inclusive Tours, your holiday confirmation will contain provisional flight details. We aim to make this as accurate as possible from the start, however, the timings or the flight numbers can change before departure. We will monitor all changes and inform you as soon as possible if there is a change which affects your departure by a considerable time or moves the tour to a different day or significantly affects the tour itinerary. Final timings will be sent about ten days before you travel. If we notify you of a significant change to your holiday and you do not accept the change you must tell us within 14 days of us advising you of the significant change to your holiday. Details of what constitutes a major or minor change is contained within Booking Conditions.

Airlines and Aircraft: All prices in our brochures/ on the website are based on air travel in economy class. Passenger travel on scheduled airlines is provided under the conditions of the airline. For a copy of these terms and conditions please go to the appropriate airline's website.

Change of Airline: Due to the ever changing nature of the airline business, airlines selected and used for our tours can change after your booking is made, as can flight schedules and timings. This can be for a number of reasons such as the airline withdrawing the flight or operating with smaller aircraft than first planned. Where this is the case we will endeavour to find an alternative with the same carrier or similar flights with another carrier.

Flight Meals and Medical Equipment Requests: Although meals are provided on most long haul flights you should be aware that most airlines do not provide complimentary food on shorter flights within Europe. We therefore cannot guarantee that meals will be provided on all flights. Please note, we also cannot guarantee that the airline will be able to fulfil your request for a special dietary meal and any such requests are not a condition of booking. If you require a special dietary meal due to an allergy such as a nut allergy, and the airline provides complimentary meals, we will need you to fill in a medical questionnaire to send to the service provider. The airline will not be able to guarantee that their aircraft meals are 100% nut free and will require you to carry any special medication (such as an EpiPen) in your hand luggage.

If you need to carry a CPAP machine or oxygen cylinders please let us know at the time of booking so we can ensure this request is sent through to the relevant airline. It can take up to 6 weeks for airlines to confirm whether medical requests can be accommodated.

Flight Seat Requests: We strongly recommend (particularly if you are flying economy class) that you check in early if you have particular seat requests. Just You has no control over the allocation of seats by the airline. Even if a request has been made to pre-book seats, no guarantee can be made that they will be available on departure. The provision of particular seats does not constitute a term of your contract with us. Please note, suppliers operate older and more modern aircraft within their fleets and we cannot guarantee which type you will travel on as this may be subject to change and general availability. Although some airline companies offer the ability to book seats on line this may not be the case when booking a holiday through us, as we offer holidays based on special tour operator fares and booking conditions. If this is particularly important to you then please ask about our upgrade options.

HOLIDAYS BY RAIL

Where your holiday includes rail travel, Standard Class fares are included unless otherwise stated. **Please note: we are unable to provide portorage at stations and you will be required to handle your own luggage.**

You can choose to upgrade your seats on Eurostar to Standard Class Premier. This upgrade also includes first-class tickets for the remainder of your journey aboard local trains, where applicable.

TAILOR-MADE, EXTENSIONS & ADD-ONS

Once you have booked your package holiday, for an initial non-refundable fee of £25 per person, our Holiday Advisors can assist you should you wish to make a minor change to your holiday such as extending your stay in the hotel where the tour finishes or change your flight to return at a later date than the main tour. Please note: Additional charges will apply for accommodation and changes to your flight may also incur extra charges. Please ensure your travel insurance covers you for the whole duration of your holiday, including any add-ons.

SMOKING

E-cigarettes: Since their introduction, a number of countries have banned or limited the use of e-cigarettes. We recommend you visit this website, which is an information forum for further information: www.ecigarette-politics.com/electronic-cigarettes-global-legal-status.

BOOKING ADDITIONAL EXTRAS FOR YOUR HOLIDAY

It is advisable to leave booking travel

arrangements to your UK departure point until you have received your final travel documents as timings can change. We can book non-flight arrangements for you and offer the option of cancellation/amendment insurance. Please speak to our Holiday Advisors for more information.

WELFARE, HEALTH & SAFETY

Walking on Tour: We are happy to give you more detailed information to enable you to choose the right holiday for your individual needs. Our tours can have a comprehensive sightseeing element, visiting places with cobbled streets, inclines and including medium to long walking distances. This can make navigating these streets or keeping up with the group difficult for anyone with reduced mobility, especially in warm climates. It is important to be aware of the amount of walking involved and the degree of fitness and mobility required to take part in these sightseeing visits or excursions.

Tours described as 'Active' are not suitable for anyone with any limited or mobility issues. If you would like further information to allow you to make a more informed choice please speak to one of our Holiday Advisors.

Altitude: on certain tours you will travel to places at high altitude. If you suffer from heart or respiratory conditions or have any other concerns please consult your doctor.

Prescribed Medication: Carry all prescribed medication in your hand luggage.

Safety: Although we take every precaution to look after you on tour the responsibility for your personal safety and welfare and the care of your possessions is obviously the same as that which you would exercise whilst at home. It is advisable to avoid carrying your passports/extra cash/ credit cards etc. during day to day activities unless required. Whenever possible leave valuables in your hotel safe. Extra care should be taken when walking around cities, especially at night and we recommend that you stay in well lit, populated areas. It is also wise to avoid carrying valuables or wearing expensive jewellery.

Please review the Foreign and Commonwealth Office advice on safety and security for your destination: www.gov.uk/foreign-travel-advice. The Tour Manager/ Guide will be on hand to provide any local notifications. For further information on staying safe overseas, please visit: www.travelhealthpro.org.uk/personal-safety/

PASSPORT INFORMATION

Passport information: You must ensure that you have a valid passport. All costs incurred in obtaining such documentation must be paid by you.

Some countries don't allow you to enter with certain country stamps. For further information please visit www.fco.gov.uk.

If you are not currently in possession of a valid passport please make sure you leave plenty of time before your holiday to apply for this document. Our recommendation is that you should apply for one at least three months before your holiday. The UK Passport Service has to confirm your identity before issuing your first passport and will ask you to attend an interview in order to do this. For further information visit www.fco.gov.uk.

Check the date that your passport expires. When travelling to the EU after 29th March 2019, the UK Government recommends that you have 6 months left on your passport on the date of your arrival to an EU country. You should also check when your passport was renewed. If you renewed a 10 year adult passport before it expired, extra months may have been added to your passport's expiry date. These extra months over 10 years will not count towards the 6 months that must be remaining. The UK Government has published a website tool to check the validity of your passport under these new rules www.passport.service.gov.uk/check-a-passport.

Note: In many countries, it is now a legal requirement to show some form of identification if requested by the police or authorities, therefore, it is advisable to carry a photocopy of the data page of your passport when out and about.

Passport and Visa information for customers travelling to and via the USA - you must have an e-passport with a digital chip containing biometric information about the passport holder to travel under the visa waiver programme. Please check the front of your passport to see if it contains this symbol. 

If your current passport does not have this symbol you will need to apply for a new e-passport.

The US Visa Waiver programme allows British Citizens to travel to the US without having to obtain a visa. There are restrictions to this programme. Please visit www.esta.cbp.dhs.gov/esta for further information.

EUROPEAN HEALTH INSURANCE CARD

The European Health Insurance Card (EHIC) allows any EU Citizen to access state medical care when they are travelling in another EU Country. In the event of a no deal Brexit, UK registered EHIC's will no longer be valid. Even if they continue to be valid, there are limitations

to the EHIC card. You should make sure, and it is a requirement of booking, that you have appropriate travel insurance.

VISA REQUIREMENTS

British Citizen passport holders need a visa to visit the countries we have listed below. In most cases we are able to arrange this for you and we will add the cost of the visa plus a small handling fee to your Confirmation invoice. If you hold any other type of passport it is your responsibility to check passport and visa requirements with the Embassy of the country you are visiting. We may still be able to arrange a visa for you but additional charges may apply. We are unable to accept any responsibility if you cannot travel because you are not granted a visa.

If you have ever been arrested or convicted for a crime, been refused a visa before or have been affected by a disease of public significance or a mental disorder you will need to declare this on your visa application and further information will be required. You may be required to attend an interview before your visa is granted.

If you have opted for our visa service, we will email your application forms and information 10 weeks prior to your holiday. The application process can take up to 28 days depending on the country.

Please note that prices and information regarding visa requirements are correct at the time of publishing but subject to change.

Note: Visa requirements may change and you must check the up to date position in good time before departure.

PUBLIC HOLIDAYS

Experiencing a public holiday in your chosen destination can really enhance your holiday experience, especially if there are local festivals or celebrations. Virtually all countries have public holidays, religious or otherwise. The festivities may temporarily disrupt your package holiday and some religious holidays such as Ramadan, which is observed in many Muslim countries, may result in a reduction of facilities, services and entertainment. We suggest that you take this into consideration

when selecting your departure date. To discover the national holidays in your destination, please visit: www.timeanddate.com/holidays/

CURRENCY

To get the latest exchange rates and currency information, please visit www.xe.com. Cash and cheques can be exchanged at most hotels. Banks and exchange offices will also be able to exchange money for you. Major credit cards are usually accepted in hotels, larger shops and restaurants. We would recommend that you inform your bank/ card company of your forthcoming holiday. It is advisable to take more than one means of payment (cash, credit card etc.) and to have some form of payment for emergencies or unexpected delays.

SHOPPING

Our tours will sometimes incorporate local shops, markets and factory shops which sell a range of goods. Please make sure you have a clear understanding of any price you agree with vendors as well as the conversion rate being used, prior to purchasing items. If you are arranging the delivery of an item to your home address, please be mindful of shipping costs and customs taxes.

CLIMATE & CLOTHING

Temperatures can vary greatly depending on altitude, time of year and the region you are visiting. If specific clothing or footwear is required this will be detailed in your final itinerary. We recommend checking the weather forecast prior to travel.

We advise against taking travel electrical equipment such as kettles or irons as many hotels do not allow their usage and they can be a fire hazard.

TIME ZONES

You can find the time zone for the country you are visiting here: www.timeanddate.com/time/map/

WEATHER

World weather is becoming more erratic and unpredictable and we cannot be held responsible for disruption to your package holiday or any other holiday arrangement due to bad or unusual weather conditions.

BROCHURE/WEBSITE DETAILS

We have taken great care to ensure that the details in the brochure/website are correct at the time of their publication. Please bear in mind however that the availability of certain services may vary particularly outside high season periods. This may be for a variety of reasons, for example, lifts need servicing, swimming pools must be cleaned and outdoor amenities such as chair lifts and cable cars can be affected by weather or lack of demand.

Brochure published April 2019.
